

The Western Dubuque Booster Club has been assisting our student athletes by supporting numerous projects throughout our history. In order to provide the resources needed, we sponsor a number of events and publications. One of the newest ways to support our athletes is by sponsoring a banner on Buchman Field. Here are the highlights of the banner program:

- The banners will be black with a white company logo and lettering beginning with the 2020 season.
- The banners are hung on the interior fence around the football field and are displayed during the football, track and soccer seasons. We remove the banners during the off seasons to increase their life span.
- The banners are 42 inches by 72 inches.
- The cost for each banner is \$300 per calendar year or \$750 for a three-year contract. We apply the first \$100 of your contribution as a design credit towards your banner.
- For those businesses who already have purchased a banner from the Western Dubuque Booster Club, the cost would be \$250 per calendar year and \$650 for a three-year contract.
